RE: Huck PAC
Committee ID: C00448373
July Quarterly Report (04/01/2012 – 06/30/2012)

13031000701

Dear Ms. Miller:

We are in receipt of your letter dated September 12, 2012 (copy enclosed), requesting additional information regarding the above referenced report. We offer the following response for your consideration.

The Commission's notice states that the July Quarterly Report filed by Huck PAC (hereafter referred to as the 'Committee') did not include all required information for certain contributors. The Committee has taken all necessary and available steps to acquire all missing employer and occupation information for the referenced report. As requested by the Commission, the above referenced report has been amended to include the employer and occupation information of all reported contributors on October 17, 2012 (FEC ID-819538). However, despite best efforts to gather this information, the following contributors did not respond to our requests for employer and occupation information:

Rick Bevers, Ann Bost, Roger Brake, Larry Brown, Yvette Busch, Marta Buser, Trisha Chilcutt, Sean Clark, Edmond Daniell, Peggy Davis, Richard Edwards, Gerri Logan, Lynnanne Nicely, Carl Ocain, Dena Proctor, Linda Proschold, Peter Proschold, Robert Roland, Doug Stanaland, and Arthur Tufft.

The Committee originally mailed written requests to relevant contributors requesting employer and occupation information per the requirements of federal law. The envelope containing the written request was clearly marked "Not a Solicitation - FEC Compliance," and the letter did not request a donation of any kind. A pre-addressed return envelope was included with each request, as well as options to either fax or e-mail the requested information to the Committee. If the Committee was provided with the contributor's email address, then the contributor was sent an email requesting the before mentioned information. If the Committee did not receive a response to its written request or email for the information, the Committee contacted the contributors by telephone to request the information.

In this case, the above referenced contributors did not respond to the Committee's letter, nor were we able to reach them by email or telephone. Several contributors' phone numbers were unlisted, while others did not return our calls or emails.

The Committee has amended the referenced report to reflect the updated employer and occupation information that we have received. We feel that our efforts to obtain the necessary information are adequate and have established "best efforts" as defined by the Federal Election Commission. Further, should the Committee receive additional employer and occupation information for the July Quarterly Report, it will be reported in future amended reports filed with the Commission.

We trust that the steps that we have taken to fully report the Committee's activities and the explanation provided herein will satisfy the Commission.

Sincerely,

Bryan S. Jeffrey, Treasurer
Huck PAC

REFERENCE: JULY QUARTERLY REPORT (04/01/2012 - 06/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of $200 in a calendar year. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (initials for first or last name are not acceptable), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

The following employer and occupation entries appear on your report and are not considered acceptable: "Requested using best efforts/Requested using best efforts," and "Self-Employed/Small Business Owner."

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

• clearly ask for the missing information, without soliciting a contribution,
• inform the contributor of the requirements of federal law for the reporting of such information, and
• if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1164.
